

Beyond the Rim: The Beauty of the Bowl

Call to Artists Submission Guidelines

We are asking our beloved art community to celebrate the original vessel in an open show highlighting the bowl in a variety of mediums. We are not only inviting ceramists, behold the wooden bowl, glass bowl, bronze bowl etc. Also welcome is 2D art mediums of or about the bowl. This show is open, and a high level of skill and artistry is setting the bar for an excellent show! We are also accepting exceptional collectors' bowls for display only if you have something special you would like to include in the show not for sale. There is no entry fee and yet we will offer 3 people's choice awards: 1st 6-month pottery pass, 2nd 2 bags of clay, 3rd 1 bag of clay.

The inspiration for this show comes from our "Feed the Arts" soup dinner fundraiser for the Crossroads' Hand to Heart Scholarship Fund. Numerous advanced and intermediate potters will be donating one-of-a-kind soup bowls which are included in the price of the ticket to the event. So essentially a ticket will provide a full meal and with an original bowl to take home.
