Boise State Student Affairs is currently accepting proposals for group or solo exhibitions in the Student Union Fine Art Gallery, at the top of the main stairs, and the Trueblood Pop Up Gallery, at the intersection of the SUB expansion. As student and community galleries, we are looking to feature a variety of emerging and established artists who engage with a variety of audiences and provoke new ideas. The SUB Galleries are free-speech areas and encourage the exploration of social issues, identity, and culture. All media and styles are welcome, including but not limited to sculpture, photography, painting, fiber art, metalwork, installation, new media, and ephemeral works.

To be eligible for consideration, you and your artwork must be available to meet all exhibition deadlines within an agreed upon contract. Submitted entries should be original work and reflect a cohesive intention. There is no limit on the number of pieces of work accepted; however, be mindful that each gallery is limited in linear feet. All artwork must fit through the building and elevator doors and be able to be handled by a maximum of two persons.

ENTRIES WILL NEED TO INCLUDE:

- Title of Proposed Exhibition
- Description of Your Proposed Exhibition
- Artist Statement Relating to Proposed Exhibition
- 5-7 hi-Res Digital Images of Proposed Exhibition Art work. Each 2/3D work is to be represented by a single, 300 dpi .jpeg image. Audio-visual/digital artworks may be entered with a single mp4 file.
- All months you are available to exhibit between August 2025 and May 2026

Email above items in a single .pdf to Fonda Portales, Director of University Art, at fondaportales@boisestate.edu by Sunday, April 27, 2025 (midnight MST) to apply.

LIABILITY: Boise State University will only insure works selected for the exhibition for the value stated by the artist. Insurance covers work while on display in the gallery and is subject to a deductible. All possible professional care will be given to entries. Beyond these stated conditions, neither Boise State University nor its agents will assume further responsibility for loss or damage. Please note that the gallery is open daily from 6 am - 12 am and is not under surveillance. Complicated installation works may need to be installed by the artist.
