

# **CALL FOR ARTISTS - 2027 Calendar**

Hello returning and new Boise Group artists,

We're excited to share that submissions are now open for our 2027 Artists Calendar, now in its sixth year. This annual project celebrates the creativity of our local community, with each month highlighting a different artistic perspective and season. In 2027, the calendar will continue to grow its reach throughout Boise and beyond.

We're seeking work that captures a strong sense of mood, time of year, and perspective—pieces that feel visually engaging or quietly impactful. Subject matter is open, from landscapes to still life, intimate details to wider scenes. Together, the selected pieces should create a collection that feels balanced, intentional, and cohesive across all twelve months.

We welcome artists at every stage of their creative journey. Whether you're a professional artist, an emerging artist, or someone who creates simply for the joy of it, we'd love to see your work. We are interested in a variety of styles, mediums, and perspectives. (Photography is welcome as well.)

Attached is last year's cover for reference if you haven't seen the calendar before.

## **Submission Guidelines**

- Submit up to four images per season (winter, spring, summer, fall), up to 12 images total
- Phone or camera images are fine—no high-resolution files needed at this stage
- If selected, we'll cover the cost of professional scanning through Evermore Prints
- Artists retain ownership of their original work; we simply request permission to reproduce selected pieces in the calendar and related promotional materials

- Each selected artist will receive a \$100 honorarium

## **Next Steps**

Please submit your images via email to [andrea@boisegroup.com](mailto:andrea@boisegroup.com) by the deadline above.

Our goal with this project is simple: to celebrate local artists, encourage people to buy and collect original art, and help connect more members of our community with the incredible creative talent that surrounds us.

If you have any questions, please don't hesitate to reach out. And if you know another artist whose work deserves to be seen, we'd be grateful if you'd pass this invitation along.

Thank you for sharing your creativity with our community.
