

Saint Alphonsus - Artist of the Month Program

Dear Artist,

We are pleased to announce the upcoming 2027 Artist of the Month Program and invite local artists to participate. Artists are encouraged to submit three pieces of original artwork for consideration that reflect the principles of our Healing Art Environment Program. A panel of jurors will select ten artists and four alternate artists whose work will be exhibited and available for purchase in the South Tower Art Hallway for one-month exhibitions scheduled between March and December 2027.

Art Jury Information

The Art Jury will be held on Tuesday, September 29, 2026.

Artwork may be delivered between 9:00 a.m. and 9:30 a.m. to the McCleary Auditorium, which is located on the first floor and accessible through the Main Entrance (M). Artists may temporarily unload artwork at the entrance, where volunteers will be available to assist with transporting pieces to the auditorium.

Please note that jury doors will close promptly at 10:00 a.m. and no additional submissions will be accepted after that time. Following the jury review, artwork must be picked up between 12:00 p.m. and 1:00 p.m. on the same day. Artists will be notified of the jury panel's decision by email within two weeks of the jury date.

Submission Requirements

To be considered by the jury, each artwork submission must have a card or label securely attached to the back and include the following information:

- Artist name
- Phone number
- Medium
- Title of artwork

All submitted artwork must:

- Be professionally presented or framed and prepared for hanging.
- Be suitable for public display within the exhibition space.
- Have a maximum height of 40 inches; width is unrestricted.
- Adhere to the Healing Art Criteria outlined in the attached document.

In addition, artists must complete the attached Registration Form and submit it to the Art Jury team on the day of the event. Artists who are unable to attend in person may designate a representative to deliver and retrieve artwork on their behalf. The representative must provide the completed Registration Form at the time of submission.
