

WATER'S EDGE GALLERY
— AT THE RIVERSIDE HOTEL —

CALL FOR ARTISTS

The Artist's Christmas Tree

Christmas in the Gallery 🎄 ✨

The holiday season is coming to the Water's Edge Gallery at the Riverside Hotel, and we're looking for artists to help us fill the gallery with a little holiday magic!

This November, we will be hosting a special exhibition featuring artist-created Christmas ornaments. We're inviting artists of all mediums and styles to create unique, beautiful, whimsical, traditional, or completely unexpected ornaments to be part of this festive display.

Think beyond the traditional Christmas ornament! We want to see your creativity, personality, and artistic style come through. Whether you work in glass, clay, wood, fiber, paint, mixed media, metal, paper, or something entirely different, we'd love to see what you create.

Interested in participating?

Please contact Sandra Davis at
sandra.davis@riversideboise.com
by October 5th to let me know:

- That you would like to participate
- The number of ornaments/pieces you plan to exhibit
- Your preferred medium, if applicable

This is a wonderful opportunity to bring your art into the holiday season and create something that visitors can enjoy, admire, and perhaps even take home as a special piece of holiday art.

Let's make the Water's Edge Gallery sparkle with creativity this Christmas! 🎄 ✨
